

Here Today Hear Tomorrow!

**When it comes to professional surgery based ear care,
one technological advancement comes through loud and clear.**

Only one brand is recognised as the trusted name in electronic ear irrigators. Propulse® remains the leader in ear irrigation procedures...and now we have some news that will cause your ears to perk up.

***Introducing Propulse® Ng...
the most innovative and patient focused Electronic Ear Irrigator currently
available. Featuring the unique QrX™ handle and QrX™ single-use tip, the
Propulse® Ng system is the new standard in patient ear care.***

***Call us today at 0845 130 5440 to learn about the new
2009 Propulse® Ear Care Education Programme.***

PROPULSE®
Next Generation Ear Care Ng
